Membership Application (continued)

Verification of Eligibility

The Chamber is composed of business enterprises, not individuals.

Each member business enterprise may have one or more Designated Representatives, each of whom must be an owner of the member business enterprise.

[] I certify

That the applicant business enterprise has an office or location in East Baton Rouge Parish. This may include a home-based business.

That a major owner (10% or more) of the business enterprise and each Designated Representative resides in East Baton Rouge Parish or a parish immediately adjacent to East Baton Rouge Parish.

That the business enterprise does not derive more than 10% of its revenue from government.

That the business enterprise does not derive its revenue directly from gambling, a pay-day loan business, pornography, or abortion.

That the owners of a majority of the business enterprise and each person who serves as a Designated Representative of the business enterprise subscribe to the Mission Statement of the Chamber of Commerce of East Baton Rouge Parish, which is "To promote free enterprise, individual rights, limited government, traditional family values, character, education, patriotism, national defense, and high ethical standards for business."
